Huddersfield

**IMPORTANT INFORMATION**

<b>By Instructions Of:</b>	A Retained Client
<b>Viewing:</b>	Friday 25 October strictly by appointment only, contact the office on 01274 752142 to arrange your appointment. Viewing appointment must be booked 24 hours before the viewing day.
<b>Auction Ends:</b>	From 11.00am Tuesday 29 October – please note the lots close in 30 second intervals and have the auto extension where if a bidder bids in the last 10 minutes that lot will extend back to 10 minutes and start to count down again.
<b>Location:</b>	Huddersfield
<b>Lot Information:</b>	All lots are sold as seen, viewing is recommended, as no condition reports will be given out or refunds. Lot descriptions are provided in good faith. It is the bidders responsibility to make sure they are satisfied with the conditions of the lots prior to bidding. All lots are subject to 20% buyers premium plus VAT.
<b>Bidding:</b>	It is the bidders responsibility to check the bid amounts before confirming, as there will be no retraction of bids. All bids are legally binding.
<b>Invoices:</b>	All invoices will be emailed to your registered email address on Wednesday 30 October.
<b>Payment:</b>	The only payment method we accept is bank transfer payment and it is due within 24 hours of the auction ending. The details of the bank account will be provided on the invoice and invoice email.
<b>Collection of Lots:</b>	All lots must be removed Friday 1 November or between Monday 4 November and Wednesday 6 November by appointment only. When collecting please make sure to bring sufficient manpower to remove lots. Pinder Asset Solutions does not supply a packing or delivery service. If you would like to use collection service, please contact Transnet on 0844 543 4433 and they will provide you with a quote. If you are using another courier service, please make them aware no lots will be packaged. Lots will only be released on the production of a valid paid collection note. Overseas purchasers will be responsible for their own shipping and export including providing EORI numbers and products codes for shipping requirements, we are unable to provide this service.

- 189 A reconstituted stone Statue of a boy pushing a wheelbarrow, circa mid 1900s, approx. 22in high x 16in
- 190 A pair modern cast moulded seated Lion Pier Caps, approx. 32in high x 12in x 14in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 191 A pair reconstituted stone Medici Lions, approx. 24in high x 10in x 14in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 192 A reconstituted stone Statue of a sow badger with cub, circa early to mid 1900s, approx. 11in high x 21in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 193 A pair cast iron Bench Ends, with scroll decoration, approx. 31in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 194 A pair cast iron Bench Ends, with scroll decoration, approx. 31in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 195 3 salt glazed terracotta Planters, circa mid to late 1900s, approx. 12in high x 22in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 196 A Victorian salt glazed terracotta "H" shaped Chimney Pot, approx. 38in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 197 2 reconstituted stone Easter Island Heads, circa mid 1900s, approx. 21in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 198 A pair terracotta Planters, with Aztec decoration, circa mid to late 1900s, approx. 6in high x 10in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 199 A stainless steel Milk Churn, circa mid to late 1900s, approx. 14in high to 12in diameter
- 200 A reconstituted stone Sculpture of a windmill, mid to late 1900s, approx. 22in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 201 A reconstituted stone Wall Plaque of 2 squirrels playing, circa mid to late 1900s, approx. 11in high
- 202 A set of 5 grey and blue delph salt glazed terracotta Planters, various sizes, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 203 A pair cast iron Bench Ends, with scroll decoration, circa mid to late 1900s, approx. 28in high
- 204 2 vintage galvanised Watering Cans
- 205 A classical style reconstituted stone Statue of the water carrier, approx. 30in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 206 A reconstituted stone Wall Plaque of 2 songbirds, inscription "Welcome", approx. 6in high x 9in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 207 A pair modern cast moulded classical Wall Mask Planters, approx. 14in high x 14in
- 208 A group various reconstituted stone Statues, comprising an otter, lion, rabbit, ducks, frog, gnome and gargoyle, circa mid to late 1900s, purchased from Alderley Edge

- Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 209 A reconstituted stone Sculpture of a hobbit's house, circa mid to late 1900s, approx. 18in high x 12in diameter
  - 210 3 various sized wrought iron Plant Pot Stands, circa late 1900s
  - 211 A modern cast moulded classical Wall Mask Planter, approx. 9in high x 7in
  - 212 A 3-tier Victorian Yorkshire stone Bird Bath, approx. 26in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
  - 213 A steel Campaign Trunk, with old tools contents, approx. 20in high x 32in
  - 214 A Victorian cast iron Garden Roller, approx. 47in high x 22in
  - 215 A pair Irish Kilkenny black marble Statue Plinths, circa mid to late 1900s, approx. 43in high x 21in x 16in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
  - 216 A vintage metal galvanised Tub, with hydrangea treet, tub is 27in high x 16in diameter
  - 217 A pair modern cast moulded Shishi/Foo Dogs, Guardians of Chinese Temples, approx. 31in high x 12in x 19in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
  - 218 A reconstituted stone Trough, approx. 7in high x 15in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
  - 219 A 2-tier reconstituted stone Garden Fountain with classical acanthus leaf decoration, circa mid to late 1900s, approx. 50in high x 30in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
  - 220 A Victorian Yorkshire stone quatrefoil Statue Base, makers signature "T R & E Williams", approx. 7in high x 40in diameter
  - 221 A hand carved Yorkshire stone contemporary Orangery Table, circa late 1900s, approx. 26in high x 17in diameter
  - 222 A reconstituted stone Window Sill Planter, with fluted and scroll work decoration, circa mid to late 1900s, approx. 9in high x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
  - 223 A reconstituted stone Bird Bath, with tree trunk and ivy decoration, approx. 14in high x 14in diameter

- 224 A pair vintage terracotta Garden Urns, with acanthus leaf decoration, approx. 14in high x 18in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 225 A pair contemporary metal Statue Plinths, circa late 1900s, approx. 18in high x 14in x 14in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 226 A Victorian salt glazed terracotta crown topped Chimney Pot, approx. 42in high
- 227 An original Georgian blacksmith double horned Anvil, sat on its original wooden base, used in an art studio as an easel stand, approx. 29in high x 34in
- 228 A reconstituted stone Garden Urn, on plinth with acanthus leaf decoration, circa mid to late 1900s, approx. 33in high x 19in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 229 A large pair reconstituted stone Garden Urns, with gadrooning and egg and dart decoration, approx. 20in high x 23in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s (plinths sold separately)
- 230 A pair 3-tier hand carved Yorkshire stone Statue Plinths, approx. 12in high x 16in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 231 A modern moulded cast Statue of David, "David and Goliath" based on biblical sources, a copy of the classical sculpture carved by Michael Angelo in 1501, approx. 50in high
- 232 A large hand carved Portland stone Console Plinth, circa mid to late 1900s, approx. 39in high x 12in x 25in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 233 A reconstituted stone Statue of a young boy and girl playing on a seesaw, circa mid to late 1900s, approx. 22in high x 23in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 234 A pair Portland stone hand carved Console Plinths, approx. 40in high x 17in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 235 A reconstituted stone Bird Bath, with rabbit tree trunk and duck decoration, circa mid to late 1900s, approx. 31in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 236 A 4-tier reconstituted stone Bird Bath, circa mid to late 1900s, approx. 18in high x 12in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 237 A hand carved Edwardian Yorkshire stone Pillar, with chamfered corners, approx. 32in high x 5in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 238 A Victorian salt glazed terracotta Chimney Pot, painted shabby chic, approx. 47in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 239 An original Sestrel Ship Salvage Maritime Vintage Gyroscopic Boat Compass in a brass case, approx. 9in high x 8in diameter
- 240 A carved wooden Owl, stood on a reconstituted stone plinth, circa mid to late 1900s, approx. 28in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 241 A reconstituted stone Statue of a seated pig, approx. 14in high x 17in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 242 A reconstituted stone Bird Bath, with mouse house decoration, inscription "Kiss Of The Sun For Pardon, The Song Of The Birds For Mirth, One Is Nearer To God's Heart In A Garden, Than Anywhere Else On Earth", approx. 17in high 14in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 243 A high seated Garden Table, with a Yorkshire stone tabletop sat on cast iron legs with fish and bobbin decoration, approx. 44in high x 32in x 71in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 244 A reconstituted stone Planter, with tree trunk and ivy decoration, approx. 8in high x 14in diameter
- 245 A cast iron and wooden slatted Lovers Bench, attributed to Coalbrookdale, approx. 40in high x 79in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 246 A reconstituted stone Comedy Statue, of a neighbourhood watch gang, approx. 15in high
- 247 An imposing pair reconstituted stone Garden Urns with Rams head mask, gadrooning and acanthus leaf decoration, approx. 37in high x 30in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 248 A pair reconstituted stone Planters, with lattice work and Celtic decoration, makers mark "Cotswold Studios", approx. 12in high x 14in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 249 A pair reconstituted stone Garden Plinths, with Yorkshire rose decoration, approx. 16in high x 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 250 A pair large Scottish granite Statue Plinths, circa mid to late 1900s, approx. 24in high x 18in x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 251 A pair reconstituted marble Planters, with basket ware and flower decoration, approx. 10in high x 24in x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 252 A pair reconstituted marble Planters, with basket ware and flower decoration, approx. 10in high x 24in x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 253 A reconstituted stone Balustrade Bird Bath, approx. 23in high x 15in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 254 A Yorkshire stone Balustrade Plinth, with original sundial plate, inscription "Sunny Days", approx. 28in high x 14in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 255 A set of 3 salt glazed terracotta Balustrades, approx. 27in high x 7.5in x 7.5in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 256 A 2-tier reconstituted stone Fountain, on a Yorkshire stone plinth with seashell and mythical fish decoration, approx. 86in high x 6in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 257 A Victorian salt glazed terracotta crown topped Chimney Pot, approx. 29in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 258 A Victorian salt glazed terracotta Chimney Pot, with shabby chic decoration, approx. 30in high, purchased from Alderley Edge Park renovation project, it was the

- residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 259 A Victorian salt glazed terracotta Chimney Pot, with shabby chic decoration, approx. 34in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 260 A reconstituted stone Planter, on a plinth with drystone wall effect decoration, approx. 26in high x 16in diameter
- 261 A Victorian buff terracotta Chimney Pot, approx. 37in high
- 262 A Victorian salt glazed terracotta Chimney Pot, with shabby chic decoration, approx. 34in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 263 A reconstituted stone Bird Bath, depicting the three graces, approx. 33in high x 23in diameter, the three graces are a neoclassical sculpture of the mythological three Charites, Euphoroysyne, Anglaea and Thalia who were said to represent mirth; elegance; youth/beauty respectively, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 264 A painted Victorian salt glazed terracotta Chimney Pot, with fluted decoration, approx. 31in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 265 A painted Victorian salt glazed terracotta crown top Chimney Pot, approx. 38in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 266 A reconstituted stone Bird Bath, with cherub holding a bowl, circa mid to late 1900s, approx. 35in high x 16in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 267 A pair cast iron Parasol Bases, with floral and bird decoration, circa mid to late 1900s, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 268 A reconstituted stone Bird Bath, with tree trunk and rabbit decoration, circa mid to late 1900s, approx. 28in high x 19in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 269 A reconstituted Statue of a young girl and boy kissing, circa mid to late 1900s, approx. 23in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 270 A reconstituted stone Statue of a gargoyle sat on a tree stump, circa mid to late 1900s, approx. 24in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 271 A reconstituted stone Statue of a lion holding a welcome shield, circa mid to late 1900s, approx. 24in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 272 A large pair Portland stone Console Plinths, circa mid to late 1900s, approx. 40in high x 14in x 27in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 273 A reconstituted stone Bird Bath/Water Feature, depicting a young boy holding a bucket sat next to a frog and a songbird, circa mid to late 1900s, approx. 38in high x 16in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 274 A reconstituted stone Balustrade Bird Bath, with fluted decoration, approx. 28in high x 12in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 275 A reconstituted stone Statue of an Art Deco dancer, approx. 29in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 276 A reconstituted stone Fountain Head Statute, of the classical water carrier, mid to late 1900s, approx. 35in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 277 A reconstituted stone Bird Bath, with fluted column and ivy decoration, approx. 29in high x 14in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 278 A reconstituted stone Urn, on base with gadrooning egg and dart grape vine decoration, circa mid 1900s, approx. 43in high x 20in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 279 A pair reconstituted stone Urns, with classical figure decoration, circa mid to late 1900s, approx. 32in high x 22in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 280 A pair reconstituted marble Plinths, with fielded panel decoration, circa mid to late 1900s, approx. 23in high x 21in x 21in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s

and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 281 A Victorian cast iron Fire Insert, approx. 37in high x 27in
- 282 A collection vintage Garden Tools, comprising shears, a hole maker, hoes, and shovels
- 283 4 wooden handle vintage Garden Forks
- 284 A metal galvanised Victorian Roof Vent on a wooden stand, approx. 80in high x 18in x 18in
- 285 A pair Victorian hexagonal salt glazed terracotta Chimney Pots, approx. 32in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 286 A pair Victorian salt glazed terracotta Chimney Pots, (formerly known as pawns), approx. 30in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 287 A Victorian salt glazed terracotta crown top Chimney Pots, approx. 36in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 288 A Victorian terracotta salt glazed Chimney Pot, approx. 39in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 289 A Victorian terracotta salt glazed Chimney Pot, approx. 36in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 290 A round Victorian terracotta Chimney Pot, approx. 32in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 291 A Victorian terracotta salt glazed crown top Chimney Pot, approx. 40in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 292 A reconstituted stone Bird Bath, with egg and dart and floral decoration, approx. 21in high x 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 293 A pair reconstituted stone Girl Statues, one holding a baby, circa mid to late 1900s, approx. 27in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 294 A reconstituted stone Garden Urn, with gadrooning and classical decoration, circa mid to late 1900s, approx. 17in high x 21in diameter, purchased from Alderley Edge

Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 295 A reconstituted stone Model Bridge, approx. 10in high x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 296 A set 3 reconstituted stone Statues comprising 2 gnomes and a squirrel pushing wheelbarrow, circa mid to late 1900s, approx. 20in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 297 A reconstituted stone Statue of a gnome driving a vintage car, approx. 20in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 298 A pair industrial wrought iron Worktables, with planked tops, approx. 22in high x 39in x 63in
- 299 A reconstituted stone Window Planter, with rose and floral decoration, approx. 6in high x 28in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 300 A reconstituted stone Statue of a seated gargoyle, circa mid to late 1900s, approx. 15in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 301 A genuine Yorkshire stone Trough, circa mid 1900s, approx. 8in high x 11in x 11in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 302 A pair cast iron Jones Sewing Machine Table Bases, approx. 29in high x 23in
- 303 A Georgian single horned Blacksmith Anvil, approx. 15in high x 33in
- 304 An engineered industrial Fly Press, model number 6, makers Mark "Sweeney & Blocksidge, Birmingham, England", approx. 48in x 48in
- 305 A pair reconstituted stone radius Garden Benches, stood on fish plinths, with tongue and dart decoration, circa mid to late 1900s, approx. 18in high x 48in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 306 A round Parasol Base, with lattice work decoration, circa mid to late 1900s, approx. 16in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 307 A pair reconstituted stone Garden Urns, with cherub and gadrooning decoration, circa mid to late 1900s, approx. 26in high x 22in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley,

from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 308 A pair square hand carved Yorkshire stone Statue Plinths, circa mid to late 1900s, approx. 9in high x 15in x 15in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 309 A 5-tier Yorkshire stone Balustrade Sundial Plinth, with original bronze sundial plate with inscription "I Tell The Sunny Hours", circa early 1900s, approx. 53in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 310 A terracotta salt glazed Planter, with ribbed decoration, circa late 1900s, approx. 18in high x 12in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 311 A reconstituted marble Statue Plinth, with laurel leaf decoration, circa early to mid 1900s, approx. 9in high x 20in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 312 A pair cast iron Art Deco style Conservatory Table Bases, circa mid to late 1900s, approx. 29in high x 32in x 18in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 313 A reconstituted stone Bird Bath, on a decorative plinth depicting a cherub holding a bowl, circa mid to late 1900s, approx. 51in high x 16in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 314 A dove grey marble Fireplace Hearth, with serpentine edge decoration, circa mid to late 1900s, approx. 57in wide x 19in
- 315 A cast iron Singer Sewing Machine Table Base, approx. 28in high x 18in x 22in
- 316 2 reconstituted stone Statues of Bill and Ben the flowerpot men, with polychrome decoration, circa mid 1900s, approx. 15in high
- 317 A reconstituted stone Garden Bench, with horsehead plinths and a seat with egg and dart decoration, circa mid to late 1900s, approx. 22in high x 44in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 318 A reconstituted stone Wishing Well Folly with polychrome decoration, circa mid 1900s
- 319 A reconstituted stone Balustrade Sundial, with floral decoration, circa mid to late 1900s, approx. 20in high x 12in x 12in
- 320 A reconstituted stone Bird Bath, circa mid 1900s, approx. 19in high x 12in x 12in

- 321 A Garden Water Feature comprising whole wooden oak whisky barrel with a cast iron water pump, circa mid to late 1900s, approx. 45in high x 29in diameter
- 322 A pallet containing approx. 4m<sup>2</sup> reclaimed Yorkshire stone Paving, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 323 A Victorian galvanised metal Roof Vent, circa mid to late 1900s, approx. 48in high x 26in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 324 A Garden Water Feature comprising half wooden oak whisky barrel with cast iron water pump, circa mid to late 1900s, approx. 54in high x 30in diameter
- 325 A Victorian style cast and wrought iron Conservatory Table Base, approx. 27in high x 36in x 18in
- 326 A pair teak Folding Garden Seats, circa late 1900s, approx. 33in high
- 327 An antique Plough Furrow Garden Feature, approx. 24in high x 34in
- 328 A reconstituted stone Statue of a young girl kissing a boy, circa mid to late 1900s, approx. 24in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 329 A reconstituted stone Statue Water Feature of a cherub holding a fish, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 330 A pair decorative cast iron Garden Plinths, approx. 18in high x 15in x 15in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 331 A Victorian salt glazed terracotta crown top and fluted Chimney Pot, approx. 32in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 332 A reconstituted stone Bird Bath with tree trunk and rabbit floral decoration, approx. 29in high x 19in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 333 A reconstituted stone Japanese Garden Temple, approx. 27in high x 14in x 14in
- 334 A Victorian salt glazed terracotta queen top Chimney Pot, approx. 37in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 335 A Victorian salt glazed terracotta crown top Chimney Pot, approx. 44in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 336 A Victorian salt glazed terracotta crown top Chimney Pot, approx. 33in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 337 A terracotta Olive Oil Pot, on a fluted terracotta plinth, approx. 34in high x 16in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 338 An industrial decorative Electric Transformer Box, circa 1940s, removed from R.A.F. Church Fenton
- 339 A reconstituted stone Bird Bath of a cherub holding a bowl, circa mid to late 1900s, approx. 22in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 340 A reconstituted stone Bird Bath of a cherub holding a bowl, circa mid to late 1900s, approx. 25in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 342 A reconstituted stone Bird Bath, with tree trunk and flower decoration, circa mid to late 1900s, approx. 26in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 343 A reconstituted stone Statue of a Buddha, approx. 22in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 344 A large wrought iron Tudor style Chandelier, circa mid to late 1900s, approx. 56in x 44in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 345 An Art Deco style chrome Holophane Light Fitting, approx. 14in high x 12in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 346 A large impressive, reconstituted marble Urn, with gadrooning rose and swag decoration, approx. 31in high x 26in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s (plinth not included)
- 347 A wrought iron metal Firepit, circa mid 1900s, approx. 19in diameter
- 348 A wrought iron metal Firepit, circa mid 1900s, approx. 21in diameter
- 349 A wrought iron metal Firepit, circa mid 1900s, approx. 19in diameter
- 350 A monumental black marble Kilkeny Table, stood on 6 Portland stone balustrade legs, tabletop approx. 112in x 54in x 8in, table height 38in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley,

from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 351 A reconstituted stone Statue of David, "David and Goliath" based on biblical sources, a copy of the classical sculpture carved by Michael Angelo in 1501, circa mid to late 1900s, approx. 48in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 352 A metal wrought iron galvanised Garden Seat incorporating a rose arch, circa mid to late 1900s, approx. 82in high x 41in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 353 A reconstituted stone Statue of a water nymph, circa mid to late 1900s, approx. 48in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 354 A reconstituted stone Statue of a pig, circa mid to late 1900s, approx. 15in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 355 A pair Victorian style cast and wrought iron Table Bases, with Scottish granite tops, approx. 30in high x 24in x 47in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 356 A reconstituted stone Statue of a recumbent whippet, circa mid to late 1900s, approx. 14in high x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 357 An original Victorian copper Wall Lantern, approx. 50in x 18in
- 358 A Victorian style cast and wrought iron Table Bases, with Scottish granite tops, approx. 30in high x 24in x 47in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 359 A Victorian style cast iron Table Base, with Scottish granite D-ended tabletop, approx. 28in high x 21in x 40in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 360 A Victorian salt glazed terracotta queen topped Chimney Pot, approx. 37in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 361 A Victorian terracotta round barrelled Chimney Pot, approx. 29in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley

family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 362 A set of 3 Victorian salt glazed Chimney Pot, with fluted decoration, approx. 31in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 363 A pair reconstituted stone Planters, with classical design, approx. 40in high x 15in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 364 A pair Portland stone Console Plinths, approx. 43in high x 18in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 365 A pair reconstituted stone Statues heraldry lions at upright, approx. 24in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 366 A small cast iron Bust of a lady, approx. 7in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 367 A pair Portland stone Console Plinths, approx. 39in high x 26in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 368 A pair reconstituted marble Planters, with classical flower and swag decoration, approx. 16in high x 17in x 39in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 369 A hand carved Yorkshire stone Sundial Plinth, with original bronze sundial plate, depicting 12 Zodiac signs, approx. 28in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 370 A monumental Garden Console Table, made from an original Corinthian carved Cheshire sandstone capital, with latter Yorkshire sandstone top, approx. 24in high x 32in x 71, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 371 A pair cast iron fluted Urn Plinths, sat on Yorkshire stone bases, approx. 15in high, 16in x 16in base, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 372 A pair Yorkshire stone half doric Columns, approx. 80in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of

Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 373 A pair cast iron Orangery Coffee Table Legs, RD.NO.296510 makers mark "N & K, Ashton under Lyne", approx. 12in high x 23in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 374 A large Carrera marble bulbous Sundial Plinth, with original sundial plate, sat on a Yorkshire stone base, approx. 32in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 375 A set of cast iron and bronze Weighing Scales, originally from Tomlinsons Chemist in Lytham St Anne's, approx. 51in high
- 376 A large wooden Trellis Rose Arch, with makers plate "Bolton and Cooper, Norwich, Norfolk", approx. 104in x 28in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 377 A Victorian salt glazed terracotta crown top Chimney Pot, approx. 33in high
- 378 A bronze Letter "N", with gold leaf decoration, approx. 18in high x 15in
- 379 An original Yorkshire stone Cottage Gatepost, approx. 51in high
- 380 A Victorian salt glazed terracotta crown top Chimney Pot, approx. 30in high
- 381 A Yorkshire sandstone gothic Garden Plinth, approx. 20in high x 19in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 382 A bronze Door Knocker, in a form of an anchor, marked H.M.S. Victory, approx. 5in high
- 383 A cast iron Horses Head Last Orders Bell, approx. 8in high
- 384 2 wrought iron Pedestrian Gates, with scroll work decoration, approx. 5in high
- 385 An original Hanging Pub Sign from the Craven Heifer (Bass Ales), with decorative scroll brackets, approx. 86in high x 41in
- 386 A large decorative section of wrought iron Railing, approx. 69in high x 98in
- 387 An original vintage reel Line Marking Rope, complete with steel pegs and hammer
- 388 An original Art Deco cast iron Bedroom Fireplace, approx. 42in high x 28in
- 389 A pair original vintage metal Pub Signs from the Craven Heifer (Free House), approx. 22in high x 120in
- 390 A pair vintage wrought iron Hay Rake Wheels, makers mark "Bamforths of Uttoxeter", upcycled into chandeliers, approx. 52in diameter
- 391 An Edwardian cast iron Fire Surround, approx. 43in high x 47in
- 392 3 monumental carved Yorkshire stone Tabletops, approx. 78in x 78in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley

- family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 393 A pallet 5 cast iron Victorian Rain Hoppers, makers mark "Macfarlane Saracen Foundry, Glasgow", approx. 16in high
- 394 2 decorative Victorian Bench Ends, complete with third middle leg, depicting a coat of arms, reclaimed from the Isle of Wight, with the original Victorian Diamond registration mark, circa 1880's, approx. 33in high
- 395 A large Yorkshire sandstone Pillar, approx. 72in high x 14in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 396 A large Yorkshire sandstone Pillar, approx. 68in high x 14in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 397 A large Yorkshire stone doric Column, approx. 89in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 398 A large Yorkshire sandstone Pillar, with ribbed decoration, approx. 79in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 399 A petite pair cast iron Garden Urns, approx. 8in high x 11in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 400 A pair Portland stone Console Plinths, approx. 41in high x 18in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 401 A single cast iron Urn, with scroll decoration handles, approx. 9in high x 15in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 402 A Portland stone Console Plinth, approx. 24in high x 15in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 403 A set Victorian salt glazed terracotta crown top Chimney Pots, approx. 30in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 404 A Georgian Yorkshire gritstone Feed Trough, approx. 9in high x 18in
- 405 A Georgian Yorkshire gritstone Feed Trough, approx. 11in high x 21in
- 406 A red Cheshire sandstone Feed Trough, approx. 10in high x 26in

- 410 A Yorkshire stone Cutlery Makers Wheels, on original cast iron pulley, approx. 11in high
- 411 A large metal galvanised rivetted Water Cistern, approx. 24in high x 24in x 47in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 412 A large metal galvanised rivetted Water Cistern, approx. 24in high x 26in x 34in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 413 A pair vintage cast iron French Café Table Bases, with lion paw feet decoration, approx. 27in high
- 414 A cast iron French Café Table Base, with fluted decoration, approx. 29in high
- 415 A vintage cast iron French Café Table Base, with lion paw feet decoration, approx. 27in high
- 416 A Victorian salt glazed terracotta Feed Trough, approx. 14in high x 30in
- 417 An antique Yorkshire stone Garden Roller, approx. 18in long x 12in diameter
- 418 A pair vintage wrought iron Driveway Gates, approx. 43in high, opening 88in
- 419 An original Victorian salt glazed terracotta Chimney Pot (known as the pawn), approx. 31in high
- 420 An original cast iron Britannia Garden Table, makers mark "Gaskell and Chambers Ltd, Birmingham", complete with a reconstituted stone tabletop, approx. 29in high x 24in diameter
- 421 2 granite Garden Bench Tops, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 422 A pair reconstituted stone Pier Caps, approx. 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 423 A pair reconstituted stone Pier Caps, approx. 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 424 A pair reconstituted stone Pier Caps, approx. 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 425 A large rustic Yorkshire tone Antique Tabletop/Hearth/Step, approx. 45in x 62in
- 426 An original Victorian cast iron Wicket Radiator, approx. 30in high x 40in
- 427 A Victorian cast iron highly decorated Radiator, approx. 38in high x 28in
- 428 A Victorian cast iron Wicket Bathroom Radiator, approx. 30in high x 28in
- 429 A Victorian cast iron Wicket Radiator, approx. 36in high x 23in

- 430 A Victorian cast iron Wicket Radiator, approx. 36in high x 36in
- 431 2 rustic Yorkshire stone Steps, 1 – triangle, 1 – oblong
- 432 An original metal galvanised Dolly/Peggy Tub, circa 1920s, approx. 20in high x 19in diameter
- 433 A Victorian cast iron corner mounted Stable Trough, approx. 10in high x 32in
- 434 A Victorian cast iron Mexican hat pig Feeder Trough, approx. 34in diameter
- 435 A 3-tier reconstituted stone Bird Bath, with stonework decoration, approx. 28in high
- 436 A Victorian cast iron Mexican hat pig Feeder Trough, approx. 35in diameter
- 437 A Vintage metal Garden Fire Pit, approx. 12in x 12in
- 438 A Vintage metal Garden Fire Pit, approx. 12in x 12in
- 439 A monumental Yorkshire stone tall Garden Table, approx. 46in high, tabletop 78in x 78in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s, (the legs on the table can be cut down to lower the table height)
- 440 A small Garden Urn, approx. 6in high x 4in
- 441 An original Victorian cast iron Fountain sat on a Yorkshire stone plinth, with Yorkshire stone fountain spout, approx. 60in high x 46in x 46in
- 442 A monumental Yorkshire stone Statue Plinth, approx. 54in x 20in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 443 A reconstituted stone Garden Urn, with floral decoration, approx. 12in high x 19in diameter
- 445 A pair vintage wrought iron Bird Tables, with song bird decoration, approx. 26in high
- 446 A vintage wrought iron Bird See Saw, approx.. 43in high
- 447 A vintage wrought iron Garden Sculpture, approx. 60in high
- 448 3 vintage wrought iron Lawn Decorations, depicting poppy seeds, approx. 60in high
- 449 A vintage wrought iron Lawn Decoration, depicting song bird with nest, approx. 60in high
- 450 A set of 3 cast metal Pub Lanterns, on decorative scroll brackets, approx. 24in high x 10in x 10in
- 451 A vintage cast metal Pub Lantern, on decorative scroll bracket, approx. 29in high x 12in x 12in
- 452 A pair vintage metal galvanised Window Planters, approx. 6in high x 10in x 24in
- 453 A vintage metal galvanised Feed Trough, approx. 6in high x 10in x 71in
- 454 A set of 3 vintage wrought iron Hanging Baskets, with wrought iron scroll work brackets, approx. 16in diameter
- 455 An antique galvanised Feed Bucket, approx. 11in high x 17in diameter
- 456 A vintage wrought iron Canal Boat Kettle, approx. 14in high

- 457 An antique galvanised Coal Scuttle, approx. 26in high
- 458 A vintage metal Wind Charm, depicting a parrot, approx. 18in high
- 459 A vintage metal Wind Charm, depicting a heron, approx. 29in high
- 460 A Victorian cast iron Street Sign "Mill Street", approx. 9in high x 42in
- 461 A 1920s metal Street Sign "Church Street", approx. 9in high x 45in
- 462 A vintage cast iron Sign "Beware of the Dog", approx. 5.5in high x 15in
- 463 A vintage cast iron Sign "Castrol Motor Oil", approx. 9in diameter
- 464 A pair Victorian cast iron decorative Pike, approx. 51in
- 465 A Victorian cast iron Street Sign "Athol St", approx. 7in high x 26in
- 466 A Victorian cast iron Street Sign "Pine Street", approx. 7in high x 24in
- 467 A vintage cast iron Sign "Massey Ferguson", approx. 12in high x 7in
- 468 A vintage cast iron Sign "Michelin Man", approx. 14in high
- 469 A vintage metal enamel Sign "Michelin Tyre Service", approx. 12in high x 8in
- 470 A vintage metal enamel Sign "JCB Advertisement", approx. 12in high x 16in
- 471 A pair wrought iron Wall Planters, approx. 10in high x 21in
- 480 A pair Victorian style cast iron and wrought iron Table Bases, approx. 26in high x 36in
- 481 An antique galvanised Feed Bucket, approx. 9in high x 10in diameter
- 482 A set 3 cast metal Victorian style Balustrades, approx. 33in high
- 483 A vintage Fire Brigade Hose Nozzle, makers mark "Galena", approx. 14in long
- 484 A metal vintage Sign "Crain", dated 1965, makers mark "Smith of Keighley", approx. 6in high x 68in
- 485 A wooden vintage Village Fete Game Board, approx. 36in high x 26in
- 486 A Yorkshire stone Cottage Step, approx. 19in x 28in
- 487 A Yorkshire stone Cottage Step/Hearth, approx. 19in x 64in
- 488 A pair sandstone Stepping Stones, approx. 22in x 16in and 22in x 14in
- 489 A set of 3 sandstone Stepping Stone, 17in diameter
- 490 A Victorian cast iron gothic revival Rain Hopper, approx. 17in high x 14in
- 491 A Victorian cast iron Street Sign "Crosland Street", approx. 7in high x 29in
- 492 A Victorian cast iron Street Sign "College Street", approx. 7in high x 34in
- 493 A 1920s metal Street Sign "Diamond Rd", approx. 9in high x 40in
- 494 A Victorian cast iron Street Sign "Cleveland Rd", approx. 7in high x 32in
- 495 A Victorian cast iron Street Sign "Birkby Hall Road", approx. 7in high x 46in
- 496 A vintage cast iron Sign "Massey Ferguson", approx. 9in diameter
- 497 A vintage metal Sign "Crain", dated 1965, makers mark "Smith of Keighley", approx. 6in high x 68in
- 498 A pair reconstituted stone Heraldic Lions, approx. 18in x 15in

- 499 A reconstituted stone Angle, approx. 14in
- 500 A pair Victorian blacksmith made wrought iron Bench Ends, approx. 31in high
- 501 4 cast iron Victorian style Bench Ends, complete with pair cast iron table ends, approx. 30in
- 502 A pair cast iron Victorian style Bench Ends, approx. 32in high
- 503 A pair cast iron Victorian style Bench Ends, approx. 31in high
- 504 A pair reconstituted stone Heraldic Lions, approx. 18in high x 15in
- 506 A pair cast iron Victorian style Bench Ends, approx. 32in high
- 507 4 cast iron Victorian style Bench Ends, complete with pair cast iron table ends, approx. 30in
- 508 11 vintage wooden Advertising Signs, from Meltham Cricket Club, approx. 24in x 48in
- 509 A pair cast iron Victorian style Bench Ends, approx. 31in high
- 510 A pair cast iron Victorian style Bench Ends, approx. 32in high
- 511 A pair cast iron Victorian style Bench Ends, approx. 28in high
- 512 A pair cast iron Edwardian style Bench Ends, approx. 32in
- 524 A Victorian cast iron wicket style Radiator, approx. 36in high x 41in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 525 A Victorian cast iron wicket style Radiator, approx. 31in high x 28in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 526 A Victorian cast iron wicket style Radiator, approx. 24in high x 36in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 527 A Victorian cast iron wicket style Radiator, approx. 12in high x 41in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 528 A Victorian cast iron wicket style Radiator, approx. 31in high x 18in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 529 A pallet containing 11 terracotta Planters, various sizes, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 530 A pallet containing approx. 26 salt glazed terracotta Garden Planters, various sizes, circa mid to late 1900s, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 531 A Georgian bullnosed Yorkshire stone Garden Step, circa 1800s, approx. 4in high x 20in x 34in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 532 A run of approx. 85sqm Johnsons quarried Yorkshire stone swan Paving, approx. 2in high x 18in, various lengths 24in to 38in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 533 A cast iron Engineers Table, approx. 36in high x 42in x 32in, circa 1950s
- 534 A reconstituted stone Planter, with tree trunk decoration, approx. 5in high x 8in diameter, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 535 Approx 3 linear metres reclaimed rustic triangular Yorkshire stone Copings, approx. 7in high x 12in
- 536 Approx. 2.8 linear metres of half octagonal Yorkshire stone Copings, approx. 5in high x 16in
- 537 A pallet containing 4 Yorkshire stone Tree Surrounds, approx. 54in x 54in, middle opening 24in
- 538 A Victorian Yorkshire stone triangle Pier Cap, approx. 15in high x 16in x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 539 A Victorian Yorkshire stone triangle Pier Cap, approx. 12in high x 20in x 20in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 540 2 lengths Victorian half octagonal Yorkshire stone Garden Seats, approx. 43in and 46in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 541 A pallet containing 4 lengths half octagonal Derbyshire gritstone Coping, with 2 stop ends, circa 1800s, approx. 7in high x 14in x 11ft, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 542 A Yorkshire stone Door Pelmet, with carved moulded decoration, approx. 10in high x 63in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 543 A Yorkshire stone Door Pelmet/Mantle Shelf, approx. 6in high x 14in x 63in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 544 A pair Georgian Yorkshire stone Field Gate Posts, approx. 6ft, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 545 A large Georgian Yorkshire gritstone Quoin/Wall Plaque, approx. 14in high x 25in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 546 A pair Yorkshire stone pyramid top Pier Cap, circa 1880s, approx. 17in x 17in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 547 A pair Derbyshire gritstone bullnose top Garden Gateposts, approx. 58in high x 8in x 9in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 548 Approx. 2 linear metres of Derbyshire gritstone Roof Ridges, approx. 4in high x 10in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 549 Approx. 2.6 linear metres of Yorkshire punched Wall Copings, circa 1880s, approx. 3in high x 10in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 550 A large Victorian Yorkshire stone Drain Gully, approx. 8in high x 24in x 27in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 551 A Victorian Derbyshire gritstone Pier Cap, approx. 12in high x 24in x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 552 Approx. 1.2 linear metres Derbyshire gritstone bullnosed Coping, approx. 8in high x 14in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 553 A Yorkshire stone hand carved Cottage Corbel, approx. 11in high x 4in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 554 A Georgian hand carved Yorkshire stone Sink, removed from a stable block, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 555 A pair Georgian cast iron Air Bricks, approx. 10in x 10in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley,

from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 556 A run approx. 1.5 linear metres reclaimed half octagonal Yorkshire stone Wall Copings, approx. 6in high x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 557 A run approx. 1.5 linear metres reclaimed half octagonal Yorkshire stone Wall Copings, approx. 6in high x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 558 A run approx. 2.85 linear metres reclaimed stone Garden Steps, approx. 2.5in high x 20in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 559 A run approx. 6.15 linear metres reconstituted stone bullnosed Garden Steps, approx. 2in high x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 560 A pair Kilkenny marble bullnosed Steps, approx. 4in high x 16in x 53in
- 561 2 Scottish granite octagonal Tree Surrounds, approx. 37in x 37in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 562 2 Scottish granite octagonal Tree Surrounds, approx. 37in x 37in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 563 A Scottish granite Tree Surround, approx. 37in x 37in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 564 A pair pyramid topped Derbyshire limestone Georgian Pier Caps, approx. 12in high x 24in x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 565 Approx. 3.6 linear metres half round rustic Yorkshire stone Coping, approx. 7in high x 14in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 566 A decorative wrought iron Handrail, with return, approx. 43in high x 94in, return length 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 567 A Georgian Yorkshire stone pyramid top Pier Cap, approx. 10in high x 30in x 30in, purchased from Alderley Edge Park renovation project, it was the residence of the

- Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 568 A Georgian Yorkshire stone pyramid top Pier Cap, approx. 12in high x 32in x 32in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 569 A Georgian Yorkshire stone Stable Block Fireplace Hearth, approx. 63in x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 570 A set 5 reconstituted granite Garden Steps, approx. 2.5in high x 14in x 72in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 571 A set 5 reconstituted granite Garden Steps, approx. 2.5in high x 14in x 72in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 572 A pair reconstituted stone pyramid top Pier Caps, approx. 4in high x 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 573 A pair reconstituted stone pyramid top Pier Caps, approx. 4in high x 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 574 A pair reconstituted stone pyramid top Pier Caps, approx. 4in high x 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 575 A pair reconstituted stone pyramid top Pier Caps, approx. 4in high x 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 576 6 reconstituted granite Garden Steps, approx. 2.5in high x 14in x 55in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 577 6 reconstituted granite Garden Steps, approx. 2.5in high x 14in x 55in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 578 A Georgian Yorkshire stone bullnosed top Gatepost, approx. 92in high x 10in x 17in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 579 A Georgian Yorkshire sandstone Gatepost, approx. 90in high x 8in x 17in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 580 A pair reconstituted stone Statues of heraldic seated lions, approx. 19in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 581 A set 3 Yorkshire stone bullnosed Garden Steps, approx. 7in high x 16in x 59in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 582 A set 3 reconstituted stone bullnosed Garden Steps, approx. 2in high x 20in x 40in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 583 A set 3 reconstituted stone bullnosed Garden Steps, approx. 2in high x 20in x 40in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 584 A pair Yorkshire stone Garden Steps, with moulded decoration, approx. 8in high x 21in x 69in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 585 A set 3 Yorkshire stone Garden Steps, with moulded decoration, approx. 8in high x 21in x 46in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 596 A run approx. 79in Portland stone Balustrade with coping and base, approx. 36in high x 15in, quarried from Albion Quarries Portland Bill, Dorset, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 597 A run approx. 68in Portland stone Balustrade with coping and base, approx. 36in high x 8in, quarried from Albion Quarries Portland Bill, Dorset, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 598 A pair reconstituted stone Statues of heraldic lions, approx. 90in high, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 601 An Irish Kilkenny marble top Garden Table, with Yorkshire stone pedestals, approx. 19in high x 37in x 53in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 602 A large rustic Yorkshire stone Garden Table, sat on 2 cast iron Victorian plinths, approx. 23in high x 28in x 85in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 603 A Georgian bullseye Fireplace, removed from a stable block, approx. 69in high x 62in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 604 A Yorkshire stone Balustrade Statue Plinth, approx. 23in high x 16in x 16in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 605 A pair octagonal decorative red Cheshire sandstone Pier Caps, approx. 12in x 12in x 12in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 606 A 3-piece Yorkshire stone Garden Plinth/Console, approx. 42in high x 36in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 607 A cast iron Industrial Water Feature, upcycled from a 1950's machine, from an engineering workshop, approx. 60in high
- 608 A Yorkshire stone Garden Bench, on pair Victorian cast iron plinths, approx. 16in high x 24in x 60in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 609 A pair decorative double wrought iron Gates, with scroll work and arrowhead decoration, approx. 63in high x 126in, circa mid to late 1900s, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 610 A contemporary black Kilkenny marble and Yorkshire stone Garden Table, approx. 47in high x 30in x 74in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 611 A pair Georgian Yorkshire stone Stable Block Gateposts, approx. 104in high x 18in x 18in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 612 A Georgian Yorkshire stone punched Statue Plinth, approx. 30in high x 21in x 15in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 613 A cast iron Dog Grate, circa mid to late 1900s, approx. 16in high x 17in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley

family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s

- 614 A cast iron Swans nest Dog Grate, circa mid to late 1900s, approx. 27in high x 24in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 615 A pair Georgian Yorkshire stone carved decorative Pier Caps, approx. 24in high x 28in x 28in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 616 A pair decorative double wrought iron Gates, with balustrade and arrowhead decoration with gateposts, circa mid to late 1900s, approx. 64in high x 100in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 617 A Yorkshire stone Garden Table, sat on pair Victorian cast iron plinths, approx. 20in high x 31in x 63in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 618 A Portland stone fluted Column, forming part of garden folly, approx. 64in x 15in diameter
- 619 A Victorian Yorkshire stone Garden Table, approx. 17in high x 27in x 43in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
- 620 A wrought iron Paddock Gate, with roundel decoration, circa mid to late 1900s, approx. 78in high x 115in, purchased from Alderley Edge Park renovation project, it was the residence of the Stanley family of Alderley, from 1500s and became headquarters of the Imperial Chemical Industries (ICI) Pharmaceuticals in 1950s
